Norfolk Schools' Football Association

SOCCER TOURS OF HOLLAND **Under 16 Tuesday 2nd – Friday 5th. April 2013**

Under 14 and Under 15 Tuesday 9th. – Friday 12th. April 2013

Dear Parents.

For the past 15 years we have been taking our County squads to Holland to play friendly matches against Dutch opposition. These tours have proved to be **very** enjoyable for players, staff, parents and families and have been the ideal end of season activity **(just ask any of last year's travellers).**

The group stay in villas at excellent Centre Parcs Holiday Villages (Under 16 near Amsterdam, Under 14/15 near Eindhoven) and will have two matches per squad against different Dutch teams. The Holiday Villages enable the group to go swimming, cycling, bowling and even try skiing on snow at the Eindhoven Parc. The villas are four bedroom (three rooms having twin beds) and offer very comfortable accommodation. As usual we shall contact a number of Dutch Academy teams for games but should these not be available we have a number of top quality teams ready to offer games against NSFA.

The tour is open to any player in a County squad plus any parents/family members who would like to travel to Holland with us. We need a number of parents to travel to help with safe supervision in the villas as we always intend to have at least two adults in each villa. If we do not have enough parents wishing to travel then possibly a tour could not take place. Last year we had over 30 parents/ family members travel with us making the tour a safe, well supervised event.

The cost this year will be **£215.00** per person, this covers accommodation, executive coach travel (coach stays with us throughout the tour,) ferry crossing and breakfasts supplied for each villa. Details regarding other meals will be given later. As costs this year have risen considerably since last Easter we plan to stage a Christmas Raffle whereby tickets sold by players will go towards their Holland Tour costs. For example, if a player manages to sell £45.00 of raffle tickets, £30.00 will be taken off his tour cost, £15.00 will be used to help County meet the cost of raffle prizes, tickets etc. and any surplus money used to set up extra County games during the season. The raffle will run over Christmas and be drawn early in the New Year, further details later.

Should your son **(and yourself/family)** wish to be included in the tour could you please return the slip at the foot of the page by **Sat. 24th. November,** County can gauge if numbers will allow a tour to be booked. Details regarding deposits, further interim payments, raffle etc. will follow when numbers have been established.
