(A) Children Not Registered as Academy Players.

The following provisions apply to any child not registered as an Academy Player. All matches must be played in accordance with the correct version of the Laws of the Game appropriate for the format specified:

(d) *Under 12 to Under 18*

There is no restriction on the structure of competitions

(iv) *Sanction Provisions*

(v) *Gender of Players in Under 7 to Under 18 Matches*

A child in the age ranges Under 7 to Under 18 inclusive may play in a match involving boys and girls.

(vi) *Disability Football – Gender of Players in Under 17 Matches and Above*

In respect of disability football only, and only in accordance with a current Dispensation Policy, The Association may, in its discretion, grant a dispensation to permit any team playing at Under 17 level or above to field both male and female players in a match.

(vii) *Priority for School Activities*

(a) Priority must at all times be given to school or school Organisation's activities in accordance with the recommendations of the "Memorandum: Children of School Age and School Games" whilst a pupil is receiving fulltime education.

(b) All Clubs and Competitions, excluding those whose matches are played on Sundays, shall include in their rules a provision to the effect that the availability of a pupil must be consented to by the head teacher.

(B) PLAYERS OF SCHOOL AGE REGISTERED AS ACADEMY PLAYERS

(i) Players who reach the age of nine years during the academic year and who are in full-time education may register as an Academy Player.

(ii) The licensing authority for Academies shall comprise the PGB which shall operate under such Professional Game Youth Development Rules as shall be adopted from time to time.

(iii) It shall be deemed to be Misconduct for any Club or Club Official to induce any player of school age registered with a separate Club or Academy to leave school for the purpose of signing a contract of employment.

MEMORANDUM: CHILDREN OF SCHOOL AGE AND SCHOOL GAMES

One of the important aspects of games in school is the opportunity they afford of developing a pupil's sense of loyalty and honour. It is therefore of concern when interest in games outside the school conflict with a pupil's loyalty to the school and/or school organisations' activities.

1. It is usually the pupil of outstanding football ability whose services are sought by any Club, and the Player is most likely to be a member of the school or association team. While schools' matches are often arranged on Saturday mornings and Club matches take place in the afternoon, it is considered that a player should not play in two matches on the same day, for the one match is likely to affect play in the other.
2. An outside Club or organisation should consult the headteacher before selecting any child of school age to play for a team, and should accept the head-teacher's decision on these matters. Headteachers of schools should not restrain pupils, who are not selected for school games of any kind, from playing for an outside organisation during their free time.

GOALPOST AND PITCH SIZES

The FA receives many enquiries around pitch and goal sizes suitable for all age groups and therefore recommends the following should be applied where possible:-

Age grouping	Type	Recommended size of Goal Posts		Maximum Recommendation without runoff		Recommended size including runoff (Safety area around pitch)	
		(Height x width) ft.		(Length x width) yds		(Length x width) yds	
Mini-Soccer U7/U8	5 v 5	6	12	40	30	46	36
Mini Soccer U9/U10	7 v 7	6	12	60	40	66	46
Youth U11/U12	9 v 9	7	16	80	50	86	56
Youth U13/U14	11 v 11	7*	21*	90	55	96	61
Youth U15/U16	11 v 11	8	24	100	60	106	66
Youth U17/U18	11 v 11	8	24	110	70	116	76
Over 18 Senior Ages	11 v 11	8	24	110	70	116	76

Note: County FAs and Leagues may have defined rules for their own competitions and reference should always be made to their handbooks for additional guidance and compliance.

The FA recommends that run-off's for natural grass pitches should be a minimum of 3 yards (or 3 metres) all around the pitch. For those clubs playing in the football pyramid the minimum safety run off is 1.83 metres (6 feet) but ideally at least 2 metres.

The run-off must be of natural grass and must not be of tarmac or concrete construction, with no barriers or obstructions evident within the run-off area. If Football Turf (3G) is to be used as a run-off, this should be constructed to meet the performance standards of full size pitches and be green in colour.

Where pitches neighbour others within a confined area, the minimum run-off between both pitches should ideally be 6 yards to allow for spectators watching either match.

The Laws of the Game may be modified in their application for matches for players of under 16 years of age, for women footballers, for veteran footballers (over 35 years) and for players with disabilities.

Any or all of the following modifications are permissible:-

- (a) the size of the field of play
- (b) the size, weight and material of the ball
- (c) the width between the goalposts and the height of the crossbar from the ground
- (d) the duration of the periods of play
- (e) substitutions

* If a pitch is to be provided for U13/14 it is recommended that 7 x 21 goalposts are provided. However, it should be noted that 8 x 24 would also be acceptable as not all sites will be able to provide specifically for this age group

* During the FA Youth Review consultation, leagues asked The FA to find a way to allow children that under the 2-year age banding had played up a year prior to U10, to be able continue to play with their friendship group beyond this age, where teams moved to the 9v9 format. With this in mind Rule C4(a) was changed. The change is not meant to be an open door for the formation of U11 divisions made up solely of U10s, it is there to support the development of a few individuals.

THIRD GENERATION (3G) FOOTBALL TURF PITCHES

There continues to be significant interest in the use of Third Generation Football Turf Pitches (3G) for clubs in the National League System and below.

Much of this interest, both from leagues and clubs within the non-League pyramid, seeks to understand The FA's position regarding the sanction of these pitches, particularly in FA Competitions.

The FA Board and Council have now approved the use of such pitches in all FA competitions.

- FA Cup
- FA Trophy
- FA Vase
- FA Youth Cup
- FA Women's Super League, FA Women's Premier League, FA Women's Cup and FA WSL Continental Cup
- FA Sunday Cup
- FA County Youth Cup

The use of such pitches is however dependent on compliance with conditions of use – a copy of these is available for download and should be read in association with these notes.

It has been agreed that matches for steps 3 - 7 of the National League System, Womens Super League 1 and FA competitions may be played on 3G Football Turf Pitches that conform to the FIFA 1 star/Quality performance standard, or the equivalent International Artificial Turf Standard (IATS)/International match standard (IMS). (see specific notes in the league rules relating to steps 1 and 2 and the FA Cup competition rules relating to first round 'proper' fixtures involving professional clubs)

To qualify for use, the pitch must be certified annually as meeting the FIFA 1 Star/Quality or IATS/IMS Standard and listed on the FA's Register of 3G Football Turf pitches. The relevant certificate or report must be supplied to The FA and relevant competition before play is allowed.

3G Football Turf pitches are also allowed to be used for matches below Step 7 (including youth competitions) subject to the pitch meeting the correct performance criteria (relaxed from the FIFA 1 star /Quality standard) and appearing on the FA 3G register. A pitch must be tested (by an accredited test institute) every three years and the certificate or report passed to the FA. The FA will give a decision on the suitability for use and add the pitch to the Register.

Clubs should make their own risk assessment of whether such an installation is plausible or not given their individual circumstances and depending on the volume of use. There is a risk that pitches may deteriorate over time and may not achieve the required standards at each period of retesting especially if the pitch has significant use.

It is suggested that clubs negotiate suitable longevity warranties from the pitch manufacturers to ensure that the pitch will last in line with the club's business plan and intended usage levels. A sinking fund should be established to ensure sufficient funds are available when the surface needs replacing.

Clubs are encouraged to understand the full maintenance required, which may be necessary to validate any warranty. The FA have found that most pitches that fail the performance test have insufficient maintenance. These pitches are not maintenance free and it is recommended that 1 hours maintenance is provided for every 10 hours use. This should increase for high activity use such as youth competitions or school use.

The FA together with representatives from the industry have prepared information regarding the design, installation, construction, maintenance and testing of Football Turf Pitches and The FA Facilities and Investment team can also offer advice to clubs considering installation. This information can be accessed within the facilities section of The FA's website www.TheFA.com.

GOALPOST SAFETY GUIDELINES

The Football Association, along with the Department for Culture, Media and Sport, the Health and Safety Executive and the British Standards Institute, would like to draw your attention to the following guidelines for the safe use of goalposts.

Too many serious injuries and fatalities have occurred in recent years as a result of unsafe or incorrect use of goalposts. Safety is always of paramount importance and everyone in football must play their part to prevent similar incidents occurring in the future.

1. For safety reasons goalposts of any size (including those which are portable and not installed permanently at a pitch or practice field) must always be anchored securely in the ground.
 - Portable goalposts must be secured as per the manufacturer's instructions;
 - Under no circumstances should children or adults be allowed to climb on, swing or play with the structure of the goalposts;
 - Particular attention is drawn to the fact that if not properly assembled and secured, portable goalposts may overturn; and
 - Regular inspections of goalposts must be carried out to check that they are properly maintained.
2. Portable goalposts should not be left in place after use. They should be dismantled and removed to a place of secure storage.
3. The use of metal cup hooks on goals will be banned from the commencement of season 2007/08 and match officials will be instructed not to commence matches where such net fixings are evident for safety reasons. Nets should only be secured by plastic hooks or tape and not by metal cup hooks. Any metal cup hooks should be removed and replaced. New goalposts should not be purchased if they include metal cup hooks.
4. Goal posts which are "home-made" or which have been altered from their original size or construction should not be used. These have been the cause of a number of deaths and injuries.
5. There is no BS/CEN standard for wooden goals and it is unlikely that wooden goals will pass a load or stability test. The FA recommends that wooden goals should be replaced when necessary with compliant metal, aluminium or plastic goalposts. All wooden goals previously tested by independent consultants have failed strength and stability tests.

For reference, you should note that The FA and BSI, in conjunction with the industry, have developed two standards for goalposts – BSEN 748 (1998) and BS 8462 (2005). It is strongly recommended that you ensure that all goals purchased comply with the relevant standard. A Code of Practice BS 8461 has also been completed and copies of all these three standards are available from the British Standards Institute.

Funding for replacement goals is available via the Football Foundation and eligibility criteria and further details can be obtained on their web site – www.footballfoundation.org.uk

The FA together with representatives from the industry, sports governing bodies and Government have prepared guidance notes for pitch users and pitch providers, which summarise the key priorities of the BSI's Code of Practice and provide further details on the information included above. These details are featured within the grassroots section The FA's website – www.TheFA.com

REMEMBER TO USE GOALPOSTS SAFELY AT ALL TIMES

POSTPONEMENT OF MATCHES – GUIDELINES FROM THE FA

Frozen pitches: If the weather forecast or conditions give reason for suspecting a pitch might be unplayable then these guidelines should be followed to minimise wasted journeys. The home team makes an early morning pitch inspection to decide whether the pitch is "Frozen", "Playable" or "In Doubt". This inspection could be done by Home Team Manager personally, or by another Team official or helper that lives closer to the pitch.

- With "Frozen" pitches that are not going to thaw by the KO time, the Home Team Manager should telephone the Away Team Manager to cancel immediately so unnecessary journeys are not made. This call should be made before contacting home team players in case the Away Team Manager has a slot on a playable pitch and is able to offer to reverse the fixture location.
- With "Playable" pitches (including pitches that will obviously thaw in time), the Home Team Manager need not do anything. The Away Team Manager will presume the match is on unless he/she is called.
- With pitches "In Doubt" (and unlikely to thaw in time) then the Home Team Manager should telephone and advise the Away Team Manager of the possibility of abandonment. It is then up to the Away Team Manager to decide whether his team makes the journey or not, taking into account how far the journey is.

Before play starts the usual inspection is made. If either Manager thinks the pitch is dangerous, too wet or hard due to frozen ground then the match should be delayed slightly, subject to pitch availability, or abandoned if this is in the best interest of the players.

Post-Inspection

- Take some time to consider all that you have seen and heard (if relevant)
- If you are in doubt about whether to play the game or not – postpone the game

It is better to postpone the game and be wrong, than play the game and be wrong!

- Make a decision in your mind and stick to it (unless something really drastic occurs that would need you to change it ie: the weather completely changes in a very short space of time)
- Discuss the situation as you see it with the team(s) and explain your decision as to whether the game can go ahead or not. Refer to the evidence you have ie: weather forecasts/actual things you have seen whilst inspecting the pitch

Do this on the pitch if possible to add weight to your decision

- Be positive in your approach to people who are seeking your opinion and show a degree of empathy if the game cannot go ahead, especially if others disagree
- If the game can go ahead, ensure you remind all those concerned that if for some reason things do change that cause you a real concern for the safety of players and yourself... you do reserve the right to reverse your decision to preserve the safety of the players and yourself

This is just a caveat in case of need; if you are in doubt about whether to play the game or not – postpone the game

- The reference point for your decision is always the safety of the players and yourself

If this cannot be guaranteed for the whole of the game re: the playing surface/pitch conditions then postpone the game

- If you don't think you will finish the game... don't start the game
- Make a brief note of your discussions and who with... so that you can accurately report the circumstances around your decision. This will be required by the organiser of the competition the game was due to take place in if the game is postponed

THE FOOTBALL ASSOCIATION EQUALITY POLICY

The Association is responsible for setting the standards and values to apply throughout football at every level. Football is for everyone; it belongs to, and should be enjoyed by, anyone who wants to participate in it.

The aim of this Policy is to ensure that everyone is treated fairly and with respect and that The Association is equally accessible to all.

All Participants should abide and adhere to this Policy and to the requirements of the Equality Act 2010.

The Association's commitment is to promote inclusion and to confront and eliminate discrimination whether by reason of age, gender, gender reassignment, sexual orientation, marital status or civil partnership, race, nationality, ethnic origin, colour, religion or belief, ability or disability, pregnancy and maternity and to encourage equal opportunities.

This Policy is fully supported by the Board of The Association and the Director of Football Regulation and Administration is responsible for the implementation of this Policy.

The Association will ensure that it treats people fairly and with respect and that it will provide access and opportunities for all members of the community to take part in, and enjoy, its activities.

The Association will not tolerate harassment, including sexual harassment, bullying, abuse or victimisation of a Participant, which for the purposes of this Policy and the actions and sanction applicable is regarded as discrimination, whether physical or verbal. The Association will work to ensure that such behaviour is met with appropriate action in whatever context it occurs.

The Association commits itself to the immediate investigation of any allegation, when it is brought to their attention, of discrimination and where such is found to be the case, The Association will require that the practice stop and impose sanctions as appropriate.

The Association is committed to inclusion and anti-discrimination and raising awareness and educating, investigating concerns and applying relevant and proportionate sanctions, campaigning, achieving independently verified equality standards, widening diversity and representation and promoting diverse role models are all key actions to promote inclusion and eradicate discrimination within football.

July 2016

The ESFA fully supports this FA policy

RESPECT

Respect is The FA's response to a clear message from throughout the game that the health of football depends upon high standards of behaviour on and off the pitch.

- Respect is a behavioural code for Football
- Respect is about recognising that the integrity of the game is more important than the result of the match
- Respect is about creating an understanding of what is acceptable and unacceptable behaviour in Football
- Respect is about those involved taking responsibility for the consequences of their own actions
- Respect is about supporting match officials to do their job. Without them we don't have a game
- Respect is not a slogan. It is a collective responsibility of those involved in football to create a fair, safe and enjoyable environment in which the game can take place.

The following Respect Codes of Conduct outline the types of behaviour that will support a fair, safe and enjoyable game in this country. They also identify a range of sanctions which may be taken if these codes are not abided by.

YOUNG PLAYERS

Always play to the best of my ability and for the benefit of my team

Play fairly – I won't cheat, dive, complain or waste time.

Respect my team-mates, the other team, the referee or my coach/team manager.

Play by the rules, as directed by the referee

Be gracious in victory and defeat – I will shake hands with the other team and referee at the end of the game

Listen and respond to what my coach/team manager tells me

Understand that a coach/team manager has to do what is best for the team and not one individual player

Talk to someone I trust or the club welfare officer if I'm unhappy about anything at my club.

I understand that if I do not follow the Code, any/all of the following actions may be taken by my club, County FA or The FA:
